Document Body

Dear Richard and Rick,

Attached is the Water Programs Section of the Illinois Work Plan Agreement. I have included 2 files; a clean copy and a version that shows the last of our changes, which were agreed to by both agencies today. This last change appears on page 8 of the marked up version, and was to the section marked NPDES Compliance Monitoring and Enforcement for CAFOs . . . Objective 1 . . . Indicia of Progress.

Thank you, and please let me know if you have any questions.
